

Preston Locks – “Double Tide” Days – 2020

The following dates are “double-tide” days when Preston’s lock gates can be operated on both the morning AND the evening tide.

Times stated are High Water (Liverpool – British Summer Time). Tide Heights at Liverpool.

Preston Locks operate from 1 hour before H.W. until 2 hours after.

If the date has an * beside it, it means that that double-tide locking requires 24 hour advance booking via. Preston Marina office (01772 733595).

Dates in bold print with no asterisk beside means that this double-tide locking is already scheduled and the locks will be manned on both tides without booking
